whether Government is aware that more than 50 places are being developed in Sri Lanka which are related to the story of Ram, the Ramayana;

whether there is any plan to make the places in India which are related to the Ramayana travel worthy for tourism;

if so, the details thereof; and

National mission on monuments and antiquities

1894. SHRI MAHMOOD A. MADANI: Will the Minister of CULTURE be pleased to state:

how many monuments and antiquities have been documented under the National Mission on Monuments and Antiquities;

THE MINISTER OF CULTURE (SHRIMATI AMBIKA SON1): (a) and (b) For documentation of antiquities, National Mission on Monuments and Antiquities has, in the first instance, requested all museums under the control of the Archaeological Survey of India, State Governments and Union Territory administrations to initiate work on their respective collections.

For documentation, 3667 centrally protected and 4251 unprotected monuments/sites have been taken up in the first phase. Their selection is based on the availability of published material.

(c) and (d) Initially it was proposed to carry out the activities of National Mission on Monuments and Antiquities in a phased manner. However, it has since been decided to initiate work simultaneously in all the States and Union Territories in the interest of rapid implementation.
